I didn't write about the hardware security vulnerabilities Meltdown and Spectre but André Sintzoff did and he asked for a place to put this online so, I host it here.

You can read his good summary (in English) of Meltdown and Spectre in the following formats :

- HTML, directly on the Web (en ligne sur <https://www.bortzmeyer.org/files/meltdown-spectre.html>),
- PDF version (en ligne sur <https://www.bortzmeyer.org/files/meltdown-spectre.pdf>),
- Markdown source (en ligne sur <https://www.bortzmeyer.org/files/meltdown-spectre.md>).
